2012-2013 Santa Clara County Civil Grand Jury Report
"Our School Districts Do Not Need Zeros"

Finding 1: Los Altos School District generally agrees with the Grand Jury's concern regarding CABs and their potential misuse. However there may be circumstances where CABs, properly used, are an appropriate tool for use by school districts. To conclude categorically that CABs always are bad is oversimplistic.

Recommendation 1: Because AB182 was enacted by the state legislature this recommendation is no longer applicable.
