SUPERIOR COURT OF CALIFORNIA COUNTY OF SANTA CLARA

Felony Codes

GENERAL INSTRUCTIONS

- A. The purpose of this bail schedule is to fix an amount upon which a person who is arrested without a warrant may be released from custody prior to appearance in court. If a person is arrested pursuant to an arrest warrant, bail is set at the amount of the warrant.
- B. After a defendant's first appearance in court, the amount of bail will lie within the sound discretion of the judicial officer before whom the defendant appeared, and may be greater or less than the amount set forth in this schedule, subject to the provisions of Penal Code section 1275. This schedule may also be used by a magistrate in fixing bail pursuant to Penal Code section 815a at the time an arrest warrant is issued, the amount of which lies in the sound discretion of the magistrate.
- C. Prevailing legislation **places the burden on law enforcement agencies** to notify the magistrate if the scheduled bail is not adequate for the crime. Penal Code section 1270.1 provides that if a defendant is arrested without a warrant for a bailable felony offense or for a misdemeanor violation of a domestic violence restraining order, and a peace officer has reasonable cause to believe that the amount of bail set forth in the schedule is insufficient to assure the defendant's appearance or to issue the protection of a victim, a family member of a victim, the police officer shall prepare a declaration and file it with the magistrate requesting higher bail.
- D. Persons not entitled to be released on bail are those charged with:
Capital crimes (i.e. murder with special circumstance), when the facts are evident or the presumption great. Penal Code section 1270.5 & California Constitution, Article 1, Section 12(a);
Felony offenses involving act of violence on another person when the facts are evident or the presumption great (i.e., substantial evidence of guilt) and the court finds based upon clear and convincing evidence that there is a substantial likelihood the person's release would result in great bodily harm to others; or
Felony offenses when the facts are evident or the presumption great (i.e. substantial evidence of guilt) and the court finds based upon clear and convincing evidence that the person has threatened another with great bodily harm and that there is a substantial likelihood that the person would carry out the threat if released. California Constitution, Article 1, Section 12(c).
Certain offenses which carry a possible sentence of death, LWOP or life in prison are listed here as "NO BAIL*". While bail would initially be set by the magistrate at no bail upon booking, at arraignment, a judge should set bail an appropriate amount based on the sound discretion of the court, unless the judge determines that the defendant is not entitled to bail, pursuant to Penal Code sections 1270.5, 1275 and Cal. Const., Article 1, section 12(a) and 12(c).
If a bail hearing is requested and the defendant is charged with a serious felony as defined in Penal Code section 1192.7 (c), the victim must be given notice and reasonable opportunity to be heard at the bail hearing. A hearing must be held in open court before a defendant is released on an amount different from the bail schedule or on OR for serious or violent felonies [except 459-460(a)], and certain offenses involving domestic violence, witness intimidation and other offenses. See section "I" below.
- E. Bail for offenses involving larceny under the Penal Code, as listed in this schedule (e.g. P.C. 487, 496, 504, etc.), is the scheduled amount, or if there is a substantial loss, in a greater amount in the discretion of the judge or magistrate. This policy is also to apply to fraud type offenses of other Codes (e.g. Insurance Code, Revenue and Taxation Code, etc.).

F. The bail schedule shall contain a general clause for those offenses not specifically listed in the bail schedule. For all felony offenses and enhancements not listed, the bail amount shall be set according to the state prison top term potential for the offense plus enhancement.

| | |
|--------------------------|----------|
| Top term 3 years | 10,000 |
| Top term 4 years | 25,000 |
| Top term 5 years | 30,000 |
| Top term 6 years | 50,000 |
| Top term 7 or more years | 100,000 |
| Top term Life/LWOP | No Bail* |

G. Penal Code section 1275 provides that:

In setting, reducing, or denying bail, the judge or magistrate shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at trial or hearing of the case. The public safety shall be the primary consideration.

H. In setting, reducing or denying bail pursuant to Penal Code section 1275, a judge, in his or her discretion, may consider factors relating to the defendant or the facts of the offense, including, but not limited to the following:

Safety of the public and victim;

Safety of the victim's family;

The seriousness of the offense, including the alleged injury to the victim, the alleged threats to the victim or witnesses to the offense, the alleged use of a firearm or other deadly weapon in the commission of the offense and the alleged use or possession of controlled substances;

Defendant's prior criminal record;

Defendant's prior conviction(s) for the same or similar offense(s);

Defendant's history of failure to appear in court;

Defendant's probation or parole status at the time of the offense;

Defendant's flight risk;

Whether there are multiple victims;

The blood alcohol level of the defendant;

The alleged amount of the controlled substances involved in narcotics offenses;

Any other factor relevant to the issue of public safety.

When a judge is considering a release on own recognizance (OR) or supervised own recognizance (SORP), the judge is encouraged to consider the tools available through the Office of Pretrial Services designed to protect public safety as well as ensure the defendant's appearance in court. These tools include, but are not limited to: global positioning monitoring, electronic monitoring (with or without home detention), continuous alcohol monitoring, random alcohol monitoring, drug testing and drug counseling.

I. Penal Code section 1270.1 prohibits the release of an arrestee on bail in an amount OTHER THAN THAT SET FORTH ON THE BAIL SCHEDULE prior to a hearing *in open court* for:

a. Violent felonies as described in Penal Code section 667.5 (c), but not 460(a);

b. Serious felonies as described in Penal Code section 1192.7(c) (including those listed in Penal Code section 1192.8); and

c. Violations of Penal Code sections 136.1(c), 243(e)(1), 262, 273.5, 273.6, felony 422 and 646.9.

- J. All references to a code section shall include all subsections thereof unless a specific bail is set forth for a particular subsection.
- K. Felony offenses in which the defendant is not to be released without judicial review are:
 - Any felony where the defendant has (2) two or more serious or violent felony prior convictions (Sections 667(e)(2)(A) & 1170.12(c)(2)(A);
 - Any felony sex offense where the defendant has similar prior convictions (Penal Code section 667.71).
 - Narcotic felony offense (Sections 11353, 11353.5, 11361, 11380, 11380.5;

Health and Safety Code), where defendant has two prison prior convictions of same nature (Penal Code section 667.55)

- L. Felony offenses involving acts of violence on another person, felony sexual assault offenses on another person, and any felony offense where the defendant has threatened another with great bodily harm must be reviewed by the Duty Judge prior to the setting of bail.
- M. The Bail Schedule contemplates the following practice where more than one offense is charged:
When a defendant is booked on two or more charges arising from the same course of conduct on the same occasion, bail shall be the amount set for the charge having the highest bail.
When a defendant is booked on two more charges arising from separate courses of conduct, bail shall be the sum of the amount set for the charge in each course of conduct having the highest bail.
For sex offenses arising from threat or violence, bail shall be the sum of the full amounts set for each charge irrespective of whether the charges arise from a single course of conduct or single transaction.

EXAMPLE #1

This example demonstrates how to calculate the bail amount when a defendant is booked on more than one charge arising out of a single act that precludes multiple punishments.

| | | |
|----------|-------------|----------|
| Charge 1 | 459/460.1PC | \$50,000 |
| Charge 2 | 496PC | 10,000 |
| Charge 3 | 487PC | 10,000 |

The bail in this example is \$50,000 because the PC 459 charge has the highest bail and all the charges arise from a single act that precludes multiple punishments.

EXAMPLE #2

This example demonstrates how to calculate the bail amount when a defendant is booked on more than one charge arising from different acts that permit multiple punishments.

| | | |
|----------|----------|----------|
| Charge 1 | VC 10851 | \$10,000 |
| Charge 2 | VC 20001 | 25,000 |
| Charge 3 | VC 23153 | 25,000 |

The bail amount in this example is \$60,000 because VC 10851, VC 20001, and VC 23153 are separate acts that can be punished separately.

- N. Pursuant to Penal Code section 1269 b(e), judges shall assign an additional amount of required bail for each aggravation or enhancing factor CHARGEABLE in the complaint. Thus, if the alleged facts that would bring a person within any of the following sections: 667.5, 667.51, 667.6, 667.8, 667.85, 667.9, 667.10, 12022, 12022.1, 12022,.2, 12022.3, 12022.4, 12022.5, 12022.53, 12022.6, 12022.7, 12022.8, 12022.9, of the Penal Code, or Health and Safety Code sections 11356.5, 11370.2, or 11370.4. Judges shall also assign additional required bail for offenses involving large quantities of controlled substances.

- O. The following bail shall apply to violations of Section 23152/23153 of the Vehicle Code where there are separate violations:

| <u>Number of Priors</u> | <u>Bail</u> |
|---|--------------------|
| 23152 (a-e) w/no separate violations and BAC less than .15 | 5,000 |
| 23152 (a-e) w/no separate violations and BAC .15 or greater | 10,000 |
| 1 separate violation within 10 years w/BAC less than .15 | 15,000 |
| 1 separate violation within 10 years w/BAC of .15 or greater | 20,000 |
| 2 separate violations within 10 years w/BAC less than .15 | 35,000 |
| 2 separate violations within 10 years w/BAC .15 or greater | 40,000 |
| 3 separate violations within 10 years (Felony) | 100,000 |

In any DUI case, including those alleging prior convictions, defendants **SHALL BE ELIGIBLE FOR S.O.R.P. RELEASE**. Pretrial services is advised to consider appropriate release terms, including but not limited to, alcohol monitoring and/or testing.

- P. The misdemeanor bail schedule is provided to assist the magistrate in determining the appropriate bail for various offenses. All offenses not specifically mentioned in this schedule shall have scheduled in the amount of \$1,000.00, except for the following:

Violations of the Fish and Game Code not specifically mentioned in this schedule shall have a default Bail of \$250.00.

Violations of the Harbor and Navigations Code not specifically mentioned in this schedule shall have a default bail of \$250.00.

All misdemeanor offenses, whether alleged as violations of state code or local ordinance shall be filed in Superior Court (North County, Hall of Justice or Morgan Hill) depending on the location of the alleged offense.
