

PUBLIC DEFENDER

JUVENILE ADVISEMENT LINE

Call 408-299-7733 to talk to an attorney if you think you may be in legal trouble.

**BUSINESS HOURS:
9 AM – 5 PM**

This is not a 24/7 line. If you reach us after hours or on the weekends, an attorney will respond to you as soon as possible.

If you are a youth or non-minor dependent (NMD) facing potential exposure to criminal charges in juvenile or adult court and want to talk to an attorney, please call us at 408-299-7733. You will be connected to one of our Community Outreach public defenders (attorneys) who can help explain the process and answer any general questions you may have.
