REQUEST FOR PROPOSAL (RFP) # 101326C

Item	Vendor Question (Q)	Official Court Response (A)
1	We are moving away from this size due to safety concerns, as we have seen more injuries associated with handling larger, heavier bins. Would you consider 65-gallon bins as an alternative?	Please provide cost for 64 gallon bins.
2	With proposing 64-gallon bins over the 96-gallon requested. Would you like to have more frequent pickups?	When it comes to accommodating the different volume, we can go with more frequent pickups or additional bins.

Please note the bid due date remains the same.

We appreciate your participation in the solicitation process and thank you for your interest in doing business with the Court.

Sincerely,

Collin Conroy
