

SMALL BUSINESS PREFERENCE – HIGHEST SCORED BID

Eligibility for and application of the small business preference are governed by the JBE's Small Business Preference Procedures for the Procurement of Information Technology Goods and Services. The Proposer will receive a small business preference if, in the JBE's sole determination, the Proposer has met all applicable requirements. If the Proposer receives the small business preference, the score assigned to its proposal will be increased by an amount equal to 5% of the points assigned to the highest scored proposal. If a DVBE incentive is also offered in connection with this solicitation, additional rules regarding the interaction between the small business preference and the DVBE incentive apply.

Small business participation is not mandatory. Failure to qualify for the small business preference will not render a proposal non-responsive.

To receive the small business preference, the Proposer must be either (i) a Department of General Services ("DGS") certified small business or micro-business performing a commercially useful function, or (ii) a DGS-certified small business nonprofit veteran service agency.

If the Proposer wishes to seek the small business preference, the Proposer must complete and submit with its proposal the [Small Business Declaration](#). The Proposer must submit with the Small Business Declaration all materials required in the Small Business Declaration.

Failure to complete and submit the Small Business Declaration as required will result in the Proposer not receiving the small business preference. In addition, the JBE may request additional written clarifying information. Failure to provide this information as requested will result in the Proposer not receiving the small business preference.

If the Proposer receives the small business preference, (i) the Proposer will be required to complete a post-contract report; and (ii) failure to meet the small business commitment set forth in its proposal will constitute a breach of contract.

FRAUDULENT MISREPRESENTATION IN CONNECTION WITH THE SMALL BUSINESS PREFERENCE IS UNLAWFUL AND IS PUNISHABLE BY CIVIL PENALTIES. SEE GOVERNMENT CODE SECTION 14842.5.
