Katharine & George Alexander Community Law Center provides free legal services for **only low income** residents. We offer legal advice and referrals. (Our services do not include representation in most cases). Each Clinic works in the same general way. You will speak with a law student about your case. While you wait, the student will consult a supervising attorney on-site. The student will then return to discuss with you the information provided by the attorney. Spanish-speaking counselors usually are available. All information on your case remains strictly confidential. **Clinic schedule is subject to change due to holidays and funding.** In compliance with the Americans with Disability Act 504, please direct your accommodation request at (408) 288-7030 or call TTY-California Relay, at 1-800 735-2929 at least 24 hours prior to your appointment.
