STANDING ORDER

C. WOODHOUSE

In order to serve the best interests of all minors in the Santa Clara County Juvenile Justice Court, and to ensure that their needs for treatment are met, the Santa Clara County Probation Department may release to providers (who have been approved by the Juvenile Sex Offense Treatment Advisory Board) to minors charged with sexual offenses the following information: police reports, psychological reports, and court reports pertaining to the minor who is receiving services.

The minor must give informed, written consent prior to the release of said materials. Said materials are only to be used as part of the treatment of those minors. The treatment providers are precluded from discussing with or disseminating the materials to anyone other than the minor in treatment.
