ORDER FOR ACCESS TO JUVENILE COURT RECORDS

David H. Yamamoto, Clerk of the Superior Court  
County of Santa Clara, California

By: 

Deputy Clerk

K. HIMES

In order to assess and provide treatment to minors participating in the Santa Clara County PATH2Service Court, the Santa Clara County Behavioral Health Department is hereby authorized to inspect and copy records maintained by the Juvenile Court and other juvenile probation records maintained by the Santa Clara County Juvenile Probation Department. This order also authorizes members of the PATH2Services team to share information with Behavioral Health. This order remains in effect throughout the duration of the minor's participation in PATH2Services. This access is permitted on the condition that Behavioral Health signs a Memorandum of Understanding (MOU) agreeing to maintain all information obtained pursuant to this order in a confidential manner and to destroy and all documents obtained pursuant to this order upon the minor's termination or graduation from the PATH2Services program.
