RE: 827 W.I.C. PETITIONS FOR DISCLOSURE

The Court finds that in determining whether to authorize inspection and release of juvenile court records pursuant to a petition by the minor in balancing the interests of the parties to the court proceedings, the interests of the petitioner, and the interests of the public, the Court shall review the petitioner's Declaration for Juvenile Court Record.

FOR GOOD CAUSE SHOWN, IT IS HEREBY ORDERED

Whenever a person is seeking a copy of his/her own juvenile court records for the purpose of providing required information to the Immigration and Naturalization Service for citizenship purposes, or to the United States Armed Forces, or to obtain employment as reflected on the Declaration for Juvenile Court Record, the petitioner shall receive a redacted copy of the dismissal order or minute order bearing the minor's name, date of birth, juvenile petition number and date of dismissal.

In addition, in any request for juvenile court records where no record is found, that shall be noted on the JV-570 Petition for Records form and the form returned to the petitioner.
