Juror Appreciation Week Celebrates Those Who Serve in Santa Clara County Courts

SAN JOSÉ, CA (May 12, 2025): The Superior Court of California, County of Santa Clara proudly announces its celebration of Juror Appreciation Week, taking place May 12–16, 2025. This annual observance offers an opportunity to recognize the essential role of jurors in sustaining the justice system and protecting the rights guaranteed by our democracy.

Each year, thousands of Santa Clara County residents respond to the call of jury service. These individuals—representing the rich diversity of our communities—bring integrity, thoughtfulness, and civic responsibility to courtrooms across the county. Their service ensures that trials are fair and impartial, strengthening public trust in the judicial process.

During Juror Appreciation Week, the Court invites everyone to join in expressing gratitude to jurors for their service. Whether through a handwritten note, a social media message, or a simple "thank you," these gestures help affirm the value of the vital role jurors play in our society.

"Jurors serve not only as decision-makers but as guardians of fairness," said Hon. Julie A. Emede, Presiding Judge. "Their dedication to truth and justice is the foundation upon which our legal system stands, and we thank them for their time, care, and civic devotion."

The Superior Court is proud to participate in this national celebration and encourages all members of the community to acknowledge and appreciate the everyday citizens who make our justice system work.
