Judicial Council's Uniform Bail and Penalty Schedule

Vehicle Code Infractions

The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code is established by the Judicial Council pursuant to Section VC 40310. The only infraction violations that appear in this schedule are those that Superior Court has determined are different in processing criteria from the Uniform Bail Schedule criteria, or for the purposes of clarification.

All Other Sections

The Uniform Bail and Penalty Schedule is not to be used for determining bail on any other offenses (other than Vehicle Code violations filed in the Traffic Division). However, pursuant to section 1269(b) of the Penal Code, a copy of the court-adopted schedule shall be mailed to the Judicial Council with a report stating how the revised schedule differs from the Council's Uniform Bail and Penalty Schedule. Vehicle Code section 42001 allows local public entities that employ peace officers, universities, and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule,
